

8th Grade Families:

If you are in the process of applying to high schools, both public and private, you should contact that particular school to ask about their requirements, and procedures. Some schools may request additional forms such as Teacher, Guidance, and/or Principal recommendations. A request for a transcript or records will come from the high school to the St. Charles office, at the time of enrollment.

We look forward to hearing about all the exciting schools our 8th grade students will attend next year!

Sincerely,

Dr. Judy Dickinson
